22 (b) a disabled person who has a medical necessity for long-term
23 care during the taxable year, or (c) a person who turned sixty-two
1 years of age or older during the taxable year who made payments for
2 long-term care insurance premiums during the taxable year.

3 Sec. 3. (1) The Nebraska long-term care savings plan
4 is created. The State Treasurer shall select the administrator of
5 the plan. If the State Treasurer receives no acceptable responses
6 to a request for proposals for an administrator for the plan by
7 November 1, 2006, the State Treasurer may enter into agreements
8 with state-chartered or federally chartered banks, savings banks,
9 building and loan associations, savings and loan associations, or
10 credit unions, or a subsidiary of any such entity, to receive
11 contributions in the form of account deposits. The State Treasurer
12 may adopt and promulgate rules and regulations to carry out its
13 duties under this subsection.

14 (2) If an administrator is selected, participants shall
15 enter into participation agreements with the State Treasurer,
16 and if an administrator is not selected, participants may make
17 contributions to an account with a financial institution with which

27 is terminated, a participant may receive the principal amount
1 of all contributions made by the participant or on behalf
2 of the participant plus the actual investment earnings on the
3 contributions, less any losses incurred on the contributions. A

14 The State Treasurer shall be the trustee of the trust and as
15 such responsible for the administration, operation, and maintenance
16 of the plan and shall have all powers necessary to carry out
17 and effectuate the purposes, objectives, and provisions of the
18 Long-Term Care Savings Plan Act pertaining to the administration,
19 operation, and maintenance of the trust, except that the state
20 investment officer shall have fiduciary responsibility to make all
21 decisions regarding the investment of the money in the trust,
22 including the selection of all investment options and the approval
23 of all fees and other costs charged to trust assets except
24 costs for administration, operation, and maintenance of the trust,
25 pursuant to the directions, guidelines, and policies established
26 by the Nebraska Investment Council. The State Treasurer may adopt
27 and promulgate rules and regulations to provide for the efficient
1 administration, operation, and maintenance of the trust. The State
2 Treasurer shall not adopt and promulgate rules and regulations
3 that in any way interfere with the fiduciary responsibility of
4 the state investment officer to make all decisions regarding the
5 investment of money in the trust. The Nebraska Investment Council
6 may adopt and promulgate rules and regulations to provide for the
7 prudent investment of the assets of the trust. The council or its
8 designee also has the authority to select and enter into agreements
9 with individuals and entities to provide investment advice and
10 management of the assets held by the trust, establish investment
11 guidelines, objectives, and performance standards with respect to
12 the assets held by the trust, and approve any fees, commissions,
13 and expenses which directly or indirectly affect the return on
14 assets.

15 Sec. 5. A qualified individual as defined in subdivision
16 (4)(a) or (b) of section 2 of this act may make withdrawals as
17 a participant in the Nebraska long-term care savings plan to pay
18 or reimburse long-term care expenses. A qualified individual as
19 defined in subdivision (4)(c) of section 2 of this act may make
20 withdrawals to pay or reimburse long-term care insurance premiums.

22 a withdrawal for any reason other than transfer of funds to a
23 spouse, long-term care expenses, long-term care insurance premiums,
24 or death of the participant shall be subject to a ten-percent
25 penalty on the amount withdrawn. The State Treasurer shall collect
26 the penalty.

27 Sec. 6. The Long-Term Care Savings Plan Cash Fund is
1 created. If an administrator is selected, a pro rata share of the

2 budget appropriated for the Nebraska long-term care savings plan
3 management functions of the State Treasurer shall be charged to
4 the income of each account under each participation agreement held
5 in invested cash, and such charges shall be transferred to the
6 Long-Term Care Savings Plan Cash Fund. The allocation of charges
7 may be made by any method determined to be reasonably related to
8 actual costs incurred by the State Treasurer in carrying out the
9 Nebraska long-term care savings plan management functions under
10 section 4 of this act. It is the intent of this section to
11 have funds held in invested cash be charged a pro rata share
12 of the expenses for the Nebraska long-term care savings plan
13 management functions when this is not prohibited by statute or the
14 Constitution of Nebraska. Any money in the Long-Term Care Savings
15 Plan Cash Fund available for investment shall be invested by the
16 state investment officer pursuant to the Nebraska Capital Expansion
17 Act and the Nebraska State Funds Investment Act.

12 country or one of its political subdivisions at a rate in excess
13 of the maximum federal tax rate for corporations. The taxpayer may
14 make the computation for each foreign country or for groups of
15 foreign countries. The portion of the taxes that may be deducted
16 shall be computed in the following manner:

17 (a) The amount of federal taxable income from operations
18 within a foreign taxing jurisdiction shall be reduced by the amount

19 of taxes actually paid to the foreign jurisdiction that are not
20 deductible solely because the foreign tax credit was elected on the
21 federal income tax return;

22 (b) The amount of after-tax income shall be divided by
23 one minus the maximum tax rate for corporations in the Internal
24 Revenue Code; and

25 (c) The result of the calculation in subdivision (b) of
26 this subsection shall be subtracted from the amount of federal
27 taxable income used in subdivision (a) of this subsection. The
1 result of such calculation, if greater than zero, shall be
2 subtracted from federal taxable income.

11 trust created in sections 85-1801 to 85-1814.

12 (b) Federal adjusted gross income or, for corporations
13 and fiduciaries, federal taxable income shall be reduced, to the

20 plan trust, to the extent not deducted for federal income tax
21 purposes, but not to exceed five hundred dollars per married filing
22 separate return or one thousand dollars for any other return.

23 (d) Federal adjusted gross income or, for corporations
24 and fiduciaries, federal taxable income shall be increased by
25 the amount resulting from the cancellation of a participation
26 agreement refunded to the taxpayer as a participant in the Nebraska
27 educational savings plan trust to the extent previously deducted as
1 a contribution to the trust.

2 (9)(a) For income tax returns filed after September

12 cooperative, including any cooperative exempt from income taxes
13 under section 521 of the Internal Revenue Code of 1986, as amended,

14 subchapter S corporation, or joint venture, the increase shall be
15 distributed to the partners, members, shareholders, patrons, or
16 beneficiaries in the same manner as income is distributed for use
17 against their income tax liabilities.

18 (c) For a corporation with a unitary business having
19 activity both inside and outside the state, the increase shall be
20 apportioned to Nebraska in the same manner as income is apportioned
21 to the state by section 77-2734.05.

22 (d) The amount of bonus depreciation added to federal
23 adjusted gross income or, for corporations and fiduciaries, federal
24 taxable income by this subsection shall be subtracted in a
25 later taxable year. Twenty percent of the total amount of bonus
26 depreciation added back by this subsection for tax years beginning

11 (10) For taxable years beginning or deemed to begin on
12 or after January 1, 2003, under the Internal Revenue Code of 1986,

15 amount of any capital investment that is expensed under section
16 179 of the Internal Revenue Code of 1986, as amended, that is in
17 excess of twenty-five thousand dollars that is allowed under the
18 federal Jobs and Growth Tax Act of 2003. Twenty percent of the
19 total amount of expensing added back by this subsection for tax
20 years beginning or deemed to begin on or after January 1, 2003,
21 may be subtracted in the first taxable year beginning or deemed to
22 begin on or after January 1, 2006, under the Internal Revenue Code
23 of 1986, as amended, and twenty percent in each of the next four
24 following tax years.

25 (11)(a) Federal adjusted gross income shall be reduced
26 by contributions, up to two thousand dollars per married filing
27 jointly return or one thousand dollars for any other return, and
1 any investment earnings made as a participant in the Nebraska
2 long-term care savings plan under the Long-Term Care Savings Plan
3 Act, to the extent not deducted for federal income tax purposes.

4 (b) Federal adjusted gross income shall be increased by
